Online Donor Fund Information

FundWeb.net

Provide up-to-the minute fund information to donors and/ or fund trustees with 24/7 access via FundWeb.net. They can determine and produce their most meaningful results, thus reducing the need for paper statements. They can also make grant recommendations online. FundWeb.net integrates with your foundation's current website and works with Pearl, FIMS*, and other integrated foundation management software.

Online Fund Statements Improve Donor Service

› Provide secure access to up-to-date fund information 24 hours a day/7 days a week

› Eliminate paper statements, reducing duplication and distribution costs

› Allow donors to specify financial periods, such as their own fiscal year or quarter

› Optionally consolidate fund statement for affiliate or family fund groups

› Provide detailed transaction information for any revenue or expenditure category

› Accept online donor grant recommendations

› Integrate with your current web site

› Use with Community Pearl, FIMS*, or other database software
