

# Online Applications, Reports & Review for Grantmakers

eGrant.net

*Put the web to work with our flexible, easy-to-use online portal for applicants and reviewers. Configure it to administer the entire grant or scholarship cycle your way, with an unlimited number of phases, including review. Integrate with Akoya.net or Pearl databases for a completely paperless process. Save time, improve service and reduce costs with eGrant.net.*

## Software That Works the Way You Do

- › Eliminate paper and streamline the complete process online
- › Improve application completeness with required fields
- › Collect attachments digitally, including multimedia
- › Prevent unqualified requests with eligibility quizzes
- › Employ branch logic for applications that ask varying questions based on the type of request
- › Receive scholarship transcripts and references electronically without student handling
- › Allow panelists to conduct review electronically with eGrant.net Reviewer
- › Reduce data entry and increase accuracy by integrating with your database
- › Reduce publication, duplication, collation, and distribution costs
- › Pay a flat rate annually with no per-submission fees
- › Build and maintain your own electronic forms with eGrant.net Builder (optional)
- › Integrate with Akoya.net and Pearl databases (optional)

## Experience the Bromelkamp Company Difference – Connected. Committed. Creative.

- › **Connected** to our customers: Foundation management from your point of view, not ours.
- › **Committed** to outstanding service: Superior service begins with our first contact and lasts a lifetime.
- › **Creative** design for inspired solutions: Flexible solutions created to work the way you do.

At Bromelkamp, we are committed to outstanding service and provide personalized customer support. Guaranteed. In fact, we have unparalleled support in the industry because we offer exceptional training and service and focus on customer satisfaction, not on contracts.

**Connected. Committed. Creative.**

## Easily Administer your Programs

- › Customize system messages
- › Manage user accounts, including passwords and permissions
- › Change deadlines, open and close grant cycles, update guidelines and set contact information
- › Monitor application status and advance applicants to the next phase
- › Compose custom help text
- › Send bulk email to applicants

The screenshot shows the eGrant.net administrator interface. The top navigation bar includes the Sunspot Foundation logo, the eGrant.net logo, and the user name 'Senior Care Services' with a 'Sign Out' link. The breadcrumb trail is 'Administrator > Configuration > Messages'. The left sidebar has a menu with 'Messages' highlighted. The main content area contains instructions for editing messages and a rich text editor. A dropdown menu is open, showing options like 'eGrant Instructions', 'Email Reminder', and 'Error Page'. The editor shows a message about starting the application process.

The screenshot shows the eGrant.net administrator interface for managing grant types. The top navigation bar includes the Sunspot Foundation logo, the eGrant.net logo, and the user name 'Meghan Davignon' with a 'Sign Out' link. The breadcrumb trail is 'Administrator > Configuration > Grant Types'. The left sidebar has a menu with 'Grant Types' highlighted. The main content area contains instructions for managing grant types and a form for editing 'Sunspot Grants'. The form includes fields for Title, Fiscal Year, Contact Name, Email Address, and Guidelines URL. A 'Save Changes' button is visible at the bottom right.
