Foundation Opens 2017 Grant Season

Minneapolis, MN; September 29, 2017 – The Bromelkamp Foundation readies for the 2017 grant season, where a maximum of \$1,500 will be granted this fall. The focus this year is homelessness; eligible programs seek to improve quality of life for those affected by homelessness, which can include food banks, shelters, job training or housing assistance. Maddie Hallberg, 2017 Program Officer, states, “I look forward to learning about the programs of our employees' communities that endeavor to end the cycle of homelessness while also utilizing Bromelkamp’s software to immerse myself in the end-user experience.” The 2017 grant cycle opens on October 2 and the deadline for submissions is November 3rd. Bromelkamp Company LLC established a foundation with two primary goals: 1) To be responsive to the nonprofit needs of our employees' communities; and 2) Provide a valuable grantmaking learning opportunity to Bromelkamp staff. At Bromelkamp Company, many employees have previous work experience in the field of both private and public funding and grantmaking. This is the underpinning for Bromelkamp’s commitment to excellent customer service. The Foundation keeps the company connected to the work of its clients through an annual grant process.

Each year, two Bromelkamp employees serving as program officers conduct a grant round using Bromelkamp’s online tools: eGrant.net for the application and Reviewer for the committee scoring and recommendation process.

Bromelkamp seeks committee members who are already software clients or who are interested in using the software. If you are interested in participating on the selection committee, email maddie@bromelkamp.com for more information. The Board of Directors is comprised of the entire Bromelkamp Company staff, who reviews the committee’s
